# BUDDIES

BELOVED PET KEEPSAKES

*Our best buddies . . .*

*Only a touch away*

## Creating Keepsakes

Buddies start as two-dimensional ink prints of the paw, or nose. (We can work with clay or resin molds and close-up digital photographs as well.) The artisans use the time-honored method called lost wax casting to make each unique piece. Hand polished, your keepsake is finished with the engraving of your choice.

Additional pieces of the same print can be ordered at any point in time.

Buddies keepsakes invite touch. The simple stroking of the charm makes you smile when you are away from your pet. It also brings comfort and a way to remember the buddy who is no longer with you.

Charms

Available in .925 sterling silver or 14k yellow & white gold - please contact us for current precious metal prices. Prices are valid for 7 days from time of quote.

Thumbie Tag

The ThumbieTag is the size of a traditional dog tag, (1" x 1-15/16"). It can be worn as a pendant - OR - carried as a key chain. It is cast in highly durable white bronze—perfect for the heavy wear of keys.

Other features include:

- Matte finish, especially good for men and teens
- Prints proportionately sized for each of the three styles described below

Every ThumbieTag comes with a 30" stainless steel ball chain (which can be cut to any length), a black rubber silencer to give it a military look, and a split ring for holding your keys.
